Western Nebraska, this is probably one of the best opportunities that you will have so I move for the adoption of the amendment.

PRESIDENT: Senator Simpson.

SENATOR SIMPSON: Mr. President, I think that if we're going to do this why I represent Ag College and I have five blocks of dirt street and when it's bad, I can't hardly get there and so I think we ought to add this onto the bill and then I surely would be for it.

PRESIDENT: Any further discussion of the Keyes amendment? Any further discussion of the Keyes amendment? Senator Dickinson?

SENATOR DICKINSON: Mr. Chairman, I've been voting red all afternoon but to explain the green vote you will get on Senator Keyes' amendment from me, this road happens to go by my house.

PRESIDENT: Any further discussion of the amendment? Question is shall the amendment be adopted? All those in favor vote aye. All those opposed vote no. This is the Keyes amendment. Voting on the Keyes amendment. This is the Keyes amendment to LB 256. Question what? Have you all voted? Clerk will record.

CLERK: 7 ayes, 14 nays, 28 not voting.

PRESIDENT: Keyes amendment is lost. Read the next amendment to the bill.

CLERK: We have a motion from Senator DeCamp to strike all previously adopted amendments to LB 256 except the standing committee amendments. Signed Senator DeCamp.

PRESIDENT: Chair recognizes Senator DeCamp.

SENATOR DECAMP: Mr. President and Members of the Legislature. At the same time, I think that we've got an awful lot of money spent here today and I haven't seen any procedures as yet for raising additional money and so, this is kind of a last chance as Senator Proud likes to say, for us to look at the picture and go back to the standing committee amendments and think about it overnight and so I would move the adoption of the amendment. As I say, I realize it probably won't carry but I think maybe it, it's wise to give a little thought to this at this time.

PRESIDENT: Stand by. That's a serious amendment. Any further discussion of the amendment? Alright, question is shall the DeCamp amendment be adopted? There's a question of reconsideration involved in this. Question is shall the DeCamp amendment be adopted? All those in favor vote aye. All those opposed vote no. Have you all voted? Senator Waldron.

SENATOR WALDRON: Would I interpret it pr--properly that this would take 25 votes since it's really a reconsideration of all the amendments we've adopted?

PRESIDENT: Stand by. That's what the Chair is right now mulling over. Have you all voted? Clerk will record. Senator DeCamp's asking for a call of the house. At the next bell--excuse me. He asked for a call of the house. Question is do you support a call of the house? All those
